The National Vintage Tractor & Engine Club has been in existence for over 30 years and currently has approximately 7500 members. As its name implies it is a National organisation, however it is divided into Regional Groups with our group known as East Anglia.

The Club presents an opportunity for devotees of tractors and stationary engines to contact fellow enthusiasts both at Group level, and nationally via its flagship, the magazine "Vaporising". Another facet of the N.V.T.E.C is a Safety Code that is recognised as a standard by many rally organisers and insurance companies.

Each year the East Anglia Group organise a Rally held in May and currently located at Stradsett, near Downham Market, Norfolk a Charity Tractor Road Run in June and a working weekend in early October. Between these events the Group is normally invited to participate in other rallies.

Winter meetings, comprising of a talk, film show etc, are held on the third Thursday of the months October to March at Ryston Park Golf Club, near Downham Market. They may be replaced or supplemented by a visit.

The East Anglia Group Newsletter "Vintage Torque" also appears quarterly. It will supply group news, such as meeting topics and rally dates, along with contact information and other local issues.

The National magazine "Vaporising" is a high quality publication produced quarterly. It will provide information on future events, reports on past ones, features, contact information for restoration and parts, along with items for sale and or wanted.

An integral part of NVTEC membership is "Public Liability Rally Insurance" cover provided by NFU Mutual. This includes member-to-member liability with a limit of £5,000,000 per incident. Please note - the law now also requires that all self-propelled equipment on a rally field or working event has insurance cover that meets Road Traffic Act requirements. This is not provided by our public liability policy

To join complete the attached form and return it, remembering to include a cheque, payable to N.V.T.&E.C. (East Anglia group) and Stamped Self Addressed Envelope.
