National Vintage Tractor & Engine Club

East Anglia

2018
January-December

National Vintage Tractor & Engine Club East Anglia Group

The National Vintage Tractor & Engine Club has been in existence for over 40 years and has members all over the country.

The National organisation is split up into local groups of which we are the East Anglia group. The Club gives an opportunity for all those people who enjoy vintage tractors and engines to get together and learn more by sharing knowledge on a group level.

NVTEC publishes a magazine."Vaporising" which provides information on many levels, it also has a Safety Code recognised by many rally insurance companies.

Each year the east Anglia Group run a charity Tractor Road Run in April and a Working weekend in September. We are also able to join other groups at their events.

Winter meetings are held on the 3rd Thursday of the month from October–March at Ryston Golf Club near Downham Market, there are also summer visits to join in with.

The club also support other shows around the county by means of a club stand where all members are welcome to attend.

We as a group have a news letter

"Vintage Torque" which arrives quarterly. It supplies group news, meeting topics, event dates, contact information and calendar information,

Members can apply to the National Secretary and get an exemption to mix their own Tractor Vaporising oil in the tank of their own Tractor. This is free but has to be applied for annually

An integral part of the NVTEC membership is Public Liability Rally Insurance covered by NFU Mutual. This provides you Personally with Public Liability Insurance for the Rally field activities with a limit of £5,000,000 per incident.

It Does Not Provide

- Any form of Property Insurance
- Or
- Road Traffic Act Cover The law requires that all self propelled equipment on a Rally field or working event has insurance cover that meets Road Traffic Act
